**DOCTOR'S CERTIFICATE FOR
DISABILITY REQUIRING TRANSPORTATION**

Caledon Community Services (CCS) provides transportation for seniors and people who have a long-term/chronic or short-term/acute disability.

CCS receives funding from the Ministry of Health to provide rides for eligible clients to medical appointments, physiotherapy, dialysis, day programs, essential social services, etc. Transportation is also arranged in scheduled group trips for shopping, banking and errands.

This form is to ensure that Ministry of Health funded transportation is available to all eligible Caledon residents.
